

# Three Cups of Tea: One Mans Mission to Promote Peace...One School at a Time

In 1993, following a failed attempt to ascend K2, Greg Mortenson was inspired by a chance encounter with impoverished mountain villagers in Pakistan and promised to build them a school. From that rash, earnest promise grew one of the most incredible humanitarian campaigns of our time—Mortenson’s one-man mission to counteract extremism by building schools, especially for girls, throughout the breeding ground of the Taliban. Award-winning journalist David Oliver Relin has collaborated on this spellbinding account of Mortenson’s incredible accomplishments in a region where Americans are often feared and hated. Over the following decade Mortenson built not just one but fifty-five schools. Three Cups of Tea is at once an unforgettable adventure and the inspiring story of how one man really is changing the world—one school at a time.
