

# Barringer: Preparing Effective Business Plans: An Entrepreneurial Approach, Global Edition

For undergraduate and graduate courses in entrepreneurship. This book is for the future entrepreneur who wants to understand the critical issues and feasibility of developing a business venture, while developing an extensive business plan. Teaching and Learning Experience This text will provide a better teaching and learning experience for you and your students. Here's how: Focus on the Front End of the Entrepreneurial Process: The entrepreneurial process is discussed and defined as part of the comprehensive business plan process. Give Students a Solid Point of Reference: A business plan, for a fictitious company name Prime Adult Fitness, is built throughout the course of the book. Present Special Insights on Presenting and Writing a Business Plan: The book provides tips and suggestions for presenting a business plan with confidence and pose and includes a 12 slide PowerPoint with suggestions on what to include on each slide.
