

Le Caucase (Annotated) (French Edition)

En pleine Guerre du Caucase qui voit l'expansion de l'Empire Russe annexer les khanats du Caucase, Alexandre Dumas sillonne la région avec humour de la Mer Caspienne aux côtes de la Mer Noire. Il se révèle être un portraitiste exceptionnel mais surtout un fin observateur de la présence russe et des différents peuples qui composent le Caucase, tandis que la figure charismatique d'Imam Schamyl organise la résistance. A travers la Géorgie, l'Ossétie, l'Ingouchie, l'Arménie, l'Azerbaïdjan ainsi qu'une partie de la Tchétchénie et du Daghestan modernes, Dumas esquisse des subtilités moins connues du grand public dans un ensemble pourtant d'actualité trouble. Un récit vivant et fabuleusement riche qui ne manque pas d'actualité. Nouvelle édition.

Most of the French travelers to late Ottoman Antioch were obsessed with these . I begin my analysis with Volneys travelogue, which, despite the shortness of In his introduction to the 1959 edition of Voyage en Syrie et en Egypt, ..
