Although this is normal for everyone, it doesn't mean that you are sentenced to a life full of suffering in the form of failing to achieve your goals in life or having any other form of inadequacy in life. The truth is that the human race is an interesting one; we are never equal. There are those who are very strong in the areas that we are very weak. This means that unless we seek help from those who are strong in our areas of weakness, it would be a lot difficult for us to succeed in entangling ourselves from our challenges.
