

Case Studies in School Counseling

Case Studies in School Counseling is a valuable resource to school counselors who are seeking to enhance their program expertise with innovative approaches to facilitate student growth and development. The book contains 22 real cases, dealing with a wide range of issues faced by counselors in today's schools. The book presents cases from elementary, middle, and secondary schools. The organization of the cases provides the reader with a sense of the contributors' environment, the intent of the activity or intervention, and a sequential process for implementing the activity.
