

Handbook for Counselors Serving Students With Gifts and Talents: Development, Relationships, School

The Handbook of School Counseling for Students With Gifts and Talents: Critical Issues for Programs and Services provides the definitive overview of research on the general knowledge that has been amassed regarding the psychology of gifted students, introducing the reader to the varied conceptions of giftedness, issues specific to gifted children, and various intervention methods. Additionally, this handbook describes programs designed to fulfill the need these children have for challenge. With chapters authored by leading experts in the field, The Handbook of School Counseling for Students With Gifts and Talents offers a place for professionals to turn for answers to a wide variety of questions about gifted children.
