

## Teacher Career Starter 2e

Whether you want to become an elementary teacher, a special education teacher, or a high school math teacher, there are many jobs out there for you. If you are choosing your first career, or are considering a career change, *Teacher Career Starter* can help you to evaluate your options and plan the best route to becoming a teacher. This book will guide you through each step along the path to the teaching profession. In addition to explaining the traditional route to becoming a teacher, this book includes plenty of advice for those who may want an alternate route to teacher certification. Also, you will find out how to choose a teacher education program, and how to pay for it, along with the latest tips and techniques for conducting a job search, impressing your interviewers, and landing a great job. Surviving as a first year teacher is also discussed-providing lots of practical guidance on how to thrive in your new environment.
