

Saving Fish from Drowning

A provocative new novel from the bestselling author of *The Joy Luck Club* and *The Bonesetter's Daughter*. On an ill-fated art expedition into the southern Shan state of Burma, eleven Americans leave their Floating Island Resort for a Christmas-morning tour and disappear. Through twists of fate, curses, and just plain human error, they find themselves deep in the jungle, where they encounter a tribe awaiting the return of the leader and the mythical book of wisdom that will protect them from the ravages and destruction of the Myanmar military regime. *Saving Fish from Drowning* seduces the reader with a facade of Buddhist illusions, magicians' tricks, and light comedy, even as the absurd and picaresque spiral into a gripping morality tale about the consequences of intentions—both good and bad—and about the shared responsibility that individuals must accept for the actions of others. A pious man explained to his followers: It is evil to take lives and noble to save them. Each day I pledge to save a hundred lives. I drop my net in the lake and scoop out a hundred fishes. I place the fishes on the bank, where they flop and twirl. Don't be scared, I tell those fishes. I am saving you from drowning. Soon enough, the fishes grow calm and lie still. Yet, sad to say, I am always too late. The fishes expire. And because it is evil to waste anything, I take those dead fishes to market and I sell them for a good price. With the money I receive, I buy more nets so I can save more fishes.

Saving Fish From Drowning - Book Reviews - Books - Entertainment Saving Fish from Drowning has 25710 ratings and 2557 reviews. Kara said: Im a huge fan of Amy Tan, and this book was a disappointment.
