

# T-Shirts and Suits: A Guide to the Business of Creativity

Successful creative enterprises integrate creativity and business. T-Shirts and Suits offers an approach which brings together both creative passion and business best practice. Written in an engaging and jargon-free style, the book offers inspiration and appropriate advice for all those involved in running or setting up a creative business. Marketing, intellectual property, finance, competition, leadership and more are included in this guide. Examples of best practice are illustrated in eleven Ideas in Action™ sections featuring a range of creative businesses and organisations.
