

An Autobiography Or The Story Of My Experiments with Truth Abridged Edition

Translated by Mahadev Desai and with a New Preface The only authorized American edition Mohandas K. Gandhi is one of the most inspiring figures of our time. In his classic autobiography he recounts the story of his life and how he developed his concept of active nonviolent resistance, which propelled the Indian struggle for independence and countless other nonviolent struggles of the twentieth century. In a new foreword, noted peace expert and teacher Sissela Bok urges us to adopt Gandhis attitude of experimenting, of tesing what will and will not bear close scrutiny, what can and cannot be adapted to new circumstances, in order to bring about change in our own lives and communities. All royalties earned on this book are paid to the Navajivan Trust, founded by Gandhi, for use in carrying on his work.
