

[re]wired: Selling your AE services in a post-recession world

We are living, working and running AE firms in a post-recession world. Its a world that looks and feels vastly different than the one we knew. Competition is up. Client loyalty is down. Your services are considered a commodity. Welcome to the new normal. It takes courage to admit that its our actions that have brought us to where we are today. If we want to go somewhere else, wed better embrace some new ideas. This disruptive book will introduce you to and help you embrace unconventional ideas and radically new marketing approaches that will take you to a different destination. In this new normal, many firms have become unplugged from the clients theyve served for years. Its time to get re-wired.
